

5th edition

The power business meeting

The unmissable event
for industrialists in the sector

Energy mix: a collective challenge for industrialists

14 JUNE 2018 | ATRIA | BELFORT | FRANCE

**The most important business convention dedicated to energy,
to meet your future suppliers, thanks to the support of the CCIs**

www.rdv-energie.com

An event

A tried and tested business meeting

Dedicated to **Decision-makers, R&D Managers, Projects, Production, Purchasing...**

A **business convention** which aims to be:

• **100 % energy** • **100 % business**

Meeting point for the whole sector, exclusively reserved for industrialists

- > The biggest concentration of professionals and experts with high added value grouped together in an area situated at the heart of Europe
- > Specific know-how with an excellent command of all human and technological resources from engineering to manufacturing, right up to installation and maintenance
- > Innovative solutions for all energy sources (thermal, nuclear, renewable, hydrogen)

Meet your partners directly and gain time!

- > Precise analysis of your needs
- > Catalogue of suppliers satisfying your expectations
- > Optimized schedule with 30 minutes appointments
- > Information, networking and qualified appointments all in one place

I 1 day = **3 highlights**

9 to 10.30 am **Plenary Conference**

Energy mix: a collective challenge for industrialists

Prospects and development in the global sector with the participation of historic partners - EDF, General Electric, renewable energy, hydrogen...

10.30 am to 1 pm and 2 to 6 pm **B2B business appointments**

Between national and international operators in the sector and suppliers of solutions mainly from the Burgundy Franche-Comté and Alsace regions, renowned for their know-how.

All day long **Experts' village**

Industrialists, centralized poles and clusters in the sector, specialized consultants, R&D poles and universities, economic development operators...
